

## Car2PC Adapter – digital integration kit of Car PC into Car Stereo System Application Guide

Car2PC adapters allow you to integrate Car PC into car stereo system, control your Car PC through CD changer controls in Car Stereo, and get the optimum digital sound quality without using FM modulators.

If PC integration is not needed Car2PC adapters can be used as AUXILIARY input converters with any MP3 devices, satellite radio and mobile video system.

### ACURA

Car Make	Year	Qualifier	SKU	Cable SKU
